Request for Waiver

In accordance with Sections 54.719 through 54.721 of the Commission's Rules, Kids Community College High School, Riverview, Florida, through its consultant, requests Federal Communications Commission (Commission) waiver and extension of the February 26, 2019 deadline for submission and Certification of Funding Year 2017 Form 472 BEAR Invoice FCC 471#171048374 FRN 1799110467 Application.

Background

An invoice deadline extension request was originally filed with USC and an automatic 120 day extension was granted with the new invoice deadline of February 26, 2019. The filings for the PIN were processed and granted and the Form 498 was also submitted, but not processed on system until AFTER the Form 472 Deadline. However, on February 26, 2019 when data entering information the system did not automatically populate the Applicant FCC Form 498 ID information and all the other information was entered but when tried to certify and submit the Bear Form on USACs System on the deadline date of February 26, 2019, it could not be done and the system would not accept the BEAR Form. The problem was the Form 498 that had been properly submitted to USAC was NOT processed on the system until February 27, 2017 that day after the invoice deadline.(see attached 498 and BEAR Form 472 with error Message)

Conclusion

USAC did not process the Form 498 that was submitted until after the Form 472 deadline has passed and through no fault of applicant was the deadline missed. Since the Form 498 was not processed and activated on the system, applicant was prevented and not able to submit the Form 472. Respectfully, requesting a waiver and an invoice deadline extension and any rules so the Form 472 can be properly filed and applicant obtain their reimbursement.

Respectfully submitted
